Se podrian dar reglas para la pronunciaci6n de esta primera vocal en Ingles; pero tantas son las excepciones, que mejor y mas breve es aprenderlas por el uso.
A, subst. *Ex. a good A*, una buena A.
A en Ingles sirve mui á menudo de articulo, que significa *un*, *uno*, *una*. *Ex. a house*, una casa; *a pen*, una pluma; *a man*, un hombre.
En este caso, y delante de una voz que empieza por una vocal ó por una *h* muda, se le añade una *n*, para evitar el sonido desagradable que formára el encuentro de dos vocales, *Ex. an eagle*, una aguilá, *an hour*, una hora, *an orange*, una naranja.
A se pone á veces, en lugar de *by*, por. *Ex. so much a week*, tanto por semana; *so much a man*, tanto por cabeza. Tambien se usa la particula *a* entre el verbo y el participio del tiempo presente, como *Ex. To go a hunting*, ir á cazar.
